

# ARLO VIDEO SYSTEM

TELGUARD

## RESIDENTIAL PRODUCT

### PRODUCT FEATURES

- 100% wire-free, eliminating power cords and wiring hassles.
- Delivers HD quality (720p) live video.
- Waterproof (IP65), allowing both indoor and outdoor use.
- Night vision of up to 25 feet.
- Fast and flexible installation using magnetic mounts.
- Low maintenance and user-friendly.
- Can be used as a stand-alone video system, and can easily integrate with HomeControl Flex™, Telguard's interactive solution.
- Telguard's industry renowned customer support.
- System requires both Arlo Wire-free HD Camera and Arlo Base Station (each sold separately).

Comprised of the flexible, award-winning and easy to install Arlo Wire-free HD Camera and the Arlo Base Station, the Arlo Video System is supported by Telguard's industry renowned customer support team. Arlo can be used as a stand-alone video system or can be quickly integrated with Telguard's HomeControl Flex™ interactive solution.

### Flexible Video Solution

The Arlo Video System gives Dealers a way to offer their customers the highest quality residential video system with the shortest installation time of 10 minutes or less. Low maintenance and user-friendly, the Arlo Video System gives users the ability to make adjustments themselves, including relocating the camera and replacing batteries.

### A New Perspective

The Arlo Video System offers a new perspective to home security. The Arlo Wire-free HD Camera breaks the mold of traditional security cameras, and gives users the freedom to install cameras across 100% of their property — indoor or out. The combination of easy installation, battery-operated wire-free design, and waterproof construction makes it a perfect fit for virtually any placement, even in a tree.

### Telguard Support

Telguard offers all their Dealers and Installers industry renowned customer support, ensuring all installations and activations are quick and easy. As the thought leader in the industry, Telguard has proven their drive to embrace the integration of consumer lifestyle products with professionally installed security systems.
